

Tis the Season for Senior Giving!

Meals on Wheels Holiday Card Program

Every year we search for that perfect gift, scouring hundreds of websites, shopping flyers and window displays. You contemplate the fruit cake, the can of nuts - perhaps you think they'd like *another* tin of butter cookies. This year, let Meals on Wheels of Wake County help! Send a meaningful holiday card and contribution in honor of a friend, neighbor, co-worker, or family member.

For a contribution of at least \$20.00, Meals on Wheels will send a personalized holiday card to the recipients of your choice, acknowledging your gift made in their honor. Give the meaningful gift of hope for Wake County seniors and persons with disabilities by helping Meals on Wheels further its mission to serve hot, nutritious meals to home bound older adults in the community.
