Our staff drivers are an integral part of our program, helping us to deliver “more than a meal” to seniors that participate in our program. The ideal client will have a passion for working with seniors and be patient and respectful. Many of our clients have mobility issues that require allowing extra time and calling to give them notice when you are nearby. This position requires the ability to value diversity, equity, and inclusion as well as to interact with constituencies from a range of backgrounds.

Drivers start at \$16/hour. Please email your resume and include why you would be a great fit for our team!
